NYW CP vision

what is a vision? Mission statement, direction of org, what you see in the future or present, a portrait of high hope, why you want to be there, what contribution you'll be making

Ideas for our vision:

- operating efficiently and effectively
- more motivation, participation and incentives in the cadet program
- more confident, knowledgeable cadets
- more balance of the cadet program
- more structured activity program
- *established senior cadet role (conversation at length about this)
- enriched and happy cadets
- positive learning experience
- more cadets
- getting the word about CAP out
- uniformity among squadrons (cadet programs, physical fitness)
- fully prepared cadets for professional jobs
- where cadets aren't afraid to turn senior
- high professional standards
- more involved cadets at the plans/programs level
- educated squadron commanders on the cadet program
- educated seniors on the cadet program
- sharper looking cadets
- fewer boundaries, information exchange, better teamwork and communication
- better communication among cadet commanders (maybe cadet group commanders or commanders call, cadet newsletter for NY wing)

Purposes of CAP

CAP Mission NYWG CP Reports

Responsibilities of cadet officers

What did the cadet officers do in the wing? -organized activities, events, recruited, taught classes, sent articles, community service needs -scheduled classes, taught classes, moral leadership discussion, did admin work, organized activities -planned schedule, taught classes, recruiting, wrote article for news -away at college, helped teach classes and recruit -operations director, ground ops at bivouac, ES training, restructured training, training at encampment, attended IACE, teaching -cadet commander, taught classes, XO at encampment, AF basic training -advisor, training officers, CAC, webpage, planning activities Look in the CAPR 52-16 for specific things based on grade

Things that cadet officers can do:	
Recruiting	Mentoring
Coordinate events	CAC
Set example	Planning (project planning)
Teaching	Cadet to Senior coordination
Evaluator	Advising
Writing Policies	Conduct meetings
Unit vision/setting goals	Training and learning
Enforcing the cadet program manual- tracking and control	Problem solving
Benchmarking	Motivating
Paperwork- train to use, train others	Counseling
Intergroup coordination	Take initiative

Read manuals Enforcing safety

Responsibilities of senior members

Recruiting Coordinate events Set example **Teaching Evaluator** Writing Policies Unit vision/setting goals Enforcing the cadet program manual- tracking and control **Benchmarking** Paperwork- train to use, train others Intergroup coordination Read manuals Providing safe environment Recognition (awards) Follow-up Transportation

Cadet Awards

Cadet of the month/quarter/year Commanders commendations Certificates of appreciation AF Sergeants award Scholarships AF officers award Red service award (certificate) Community service award Phase completion award Achievement certificates *Cadet programs patch (Henry's idea)

Competitions

Color guard (5 cadets letter of intent due end of Feb) Drill – minimum of 12 people, no innovative for wing comp. (letter of intent due end of Feb) Aerospace Speech Safety Poster SAR Writing PT Competition

NYWG Activities

See handout- color guard comp date is no longer tentative

What do we want to do for cadets at the conference? -Transportation -No more all-day CAC meetings -Cadet presentation for seniors -Testimonials on NCSA -Hands-on on the Aero 2000 program -Guided discussions; similar to this meeting -SDA discussion/analysis on improvement Participating in Activities Follow-up

Mentoring

CAC Planning (project planning) Cadet to Senior coordination Advising Conduct meetings Training and learning Problem solving Motivating Counseling Take initiative Participating in Activities Knowledge of cadet program Provide Support Run interference Keeping cadets informed -Knowledge bowl (with awards) / Jeopardy -Cadet TV commercial competition

Region competition on Columbus day weekend (6-8 October, Newport RI) Cadet conference not on calendar yet- similar to the wing conference

We have word from Lt Col Granville that they will do anything for the cadet program.

NCO and cadet officer school (possibly make it a Region COS) DDR money is available but there is only \$2150

NCSA

51% of applications received were rejected. About 25% of total were technical errors. Relevant experience is taken into account for NCSA, left blank on 70% of applications- should be filled in. Another problem is not meeting the requirements (grade, experience, age)- squadron and/or group CC's are supposed to screen. Cadet NCO's applying to COS. Only 2 cadets for Hawk were approved- limited to age 16.

Aero Ed - ES - skipped

Communication
